

HAVE YOUR GARDEN WASTE COLLECTED

BY:

12 month subscription is £48. At less than a pound per week, this service remains good value and offers a quick and easy way for your garden waste to be collected and composted.

24 month subscription is £91. We are continuing with a 2 year option as it has been popular. We are able to offer a discount as we save money by reducing our admin and postage costs. In addition, 24 month subscribers will be protected from any possible price increase in 2016/17.

OR:

As an alternative to bins you can purchase garden sacks from us which currently cost £25 for 10 sacks. These will be collected fortnightly and can be more suitable for smaller gardens or those with access issues.
