

## **Mudford Village Hall Annual Parish Meeting Report**

A fairly stable past year for the village hall. The committee has once again seen changes, Heather Rowlands is stepping down as treasurer, Fiona Richardson will take on that role. Lawrence Weir has already taken on Fiona's Secretary role. We have welcomed Kay Mackenzie to the committee and welcomed back Lydia Gane!

A Midsummer and Christmas lunch were very well received as new events, along with regular quiz nights, a very successful Macmillan coffee morning and Valentines and Easter Café's.

The Thursday village café is flourishing with footfall increased and new stalls being welcomed. It is the biggest source of income covering the cost of cleaning and caretaking. Hall bookings, our regular users and functions remain steady and stable.

The hall benefitted from a hugely successful pantomime by the Mudford Player's in February.

A very generous legacy was received from the late Joyce Crang.

Complete redecorating of the hall foyer, corridor, toilets and kitchen has just been completed.

The village car park remains challenging! The committee is grateful to the Parish Council for all their help and support with this issue.

We look forward to continuing working with them to provide for the community.

Jean Jones  
Village Hall Chairman
