

# The Mudford Walkers

We are a new independent walking group which will take the place of last year's Mudford Health Walks which was run under the auspices of the local council.

Walks will be of 1 - 2hrs duration and will commence from Mudford Village Hall car park. Some walks will require car share to point of destination.

If you enjoy the countryside and would like a little exercise in congenial company we will be very pleased to see you. See below for first two walks.
